

RIGHT ANGLES

by Eric Berlin

Each entry in these puzzles will make a 90-degree turn somewhere along its length. You'll have to figure out where each word makes its turn, and in which direction. The starting point for each entry is given, as is its initial direction. Every letter is used in exactly two words.

1				2	3		4
	5			6		7	8
9						10	
	11					12	13
			14			15	
	16	17	18			19	
20			21			22	23

			1		2		3
				4	5		
		6				7	
8	9			10			
				11		12	13
	14			15			
		16	17				
				18	19		20
